Career Objective

A third-year Information Technology student with a burning passion for game design. Immersed in gaming since childhood, I hold a keen interest in analyzing game narratives, animations, and their related accolades. My dedication and drive empower me to thrive under pressure, consistently meeting deadlines. Committed to the art of game design, I'm continuously eager to explore and learn more in this field.

Education Background

2020-present **Bachelor of Science in Information Technology,**
Ho Chi Minh University of Science
GPA: 2.80/4

2017-2020 **Luong Van Chanh high school for the gifted, Mathematics Specialized Class**

Activities at University While pursuing my degree, I honed several soft skills crucial for the professional environment, such as communication, time management, adaptability, teamwork, and problem-solving.

Skills

Proficient in Python, C++, Mathematics.

Foundational knowledge of game coding, design principles and storytelling in gaming.

Experience with game programming and algorithms.

Adept with tools like Git, GitHub.

Language Skills: English (IELTS 5.5), Vietnamese (Native).

Projects

Project 1: ○ **Technical Skills:** C++
GAME ○ **Description:** A strategic Caro game project developed as an introduction to programming.
CARO X-O ○ **GitHub:** [Click here for demo link](#)

Project 2: ○ **Technical Skills:** C++, OOP
GAME ○ **Description:** A C++ game project showcasing the use of Object-Oriented Programming
CROSS THE principles.
ROAD ○ **GitHub:** [Click here for demo link](#)

Activities

Activity 1 MTI Online Hackathon Game Jam - 4th place (2020)

Activity 2 SEA Culture Competition in Ho Chi Minh Open University (10/2022-11/2022)

Courses and Certificates

- 1 Big-O GREEN - Big-O Coding Center (1/2021-3/2021)
- 2 Big-O BLUE - Big-O Coding Center (5/2021-7/2021)
- 3 Big-O ORANGE - Big-O Coding Center (10/2021-12/2021)

Awards and Achievements

Consolation Prize, Iran Geometry Olympiad (IGO), 2017, 2018

Consolation Prize, American Mathematics Competition, 2017, 2018

Miscellaneous: Won several prizes in Mathematics and English competitions, both online and paper-based.

Additional Information

Hobbies	Sports and Gaming, Offline and Online Games
Personal Traits	Reserved, kind-hearted, enthusiastic, and deeply passionate about my pursuits and dreams.
